

# STAT 165/265 HW 11

April 3, 2024

**Due Friday, April 12th at 11:59pm**

## Predictions

*Expected completion time: 90 minutes*

*Graded on accuracy as part of the class forecasting competition*

Make and submit predictions to the questions on this Google Form:

<https://forms.gle/CG3zaZdssiXZfKd28>.

Be sure to follow the format described at the top of the form. For each question, you will submit a mean and inclusive 80% confidence interval or a probability (whichever the question asks for). We provide cells on the Google form for you to type out your reasoning (1-2 paragraphs), which you should submit to Gradescope with the rest of this assignment. For questions 1-3, your prediction (but not the explanation) will appear on the public leaderboard.

## Final Project Progress Check

*Expected completion time: 45 minutes*

By the deadline for this homework, we expect your group to have made some more progress on your final project. In 100 ( $\pm 20$ ) words, tell us about the *new* work your group has accomplished and what *your* latest contributions were.

## Post-mortem

Complete this homework's post-mortem, which is a separate assignment on Gradescope.

**[STAT 265 only] None this week**
