

STAT 165/265 HW 11

April 13, 2025

Due Friday, April 18th at 11:59pm

Predictions

Expected completion time: 90 minutes

Graded on accuracy as part of the class forecasting competition

Make and submit predictions to the questions on this Google Form:

<https://forms.gle/YdFU9YcxgUMYaBEc7>.

Be sure to follow the format described at the top of the form. For each question, you will submit a mean and inclusive 80% confidence interval or a probability (whichever the question asks for). We provide cells on the Google form for you to type out your reasoning (1-2 paragraphs), which you should submit to Gradescope with the rest of this assignment. For questions 1-3, your prediction (but not the explanation) will appear on the public leaderboard.

Final Project Progress Check

Expected completion time: 45 minutes

By the deadline for this homework, we expect your group to have made some more progress on your final project. In 100 (± 20) words, tell us about the *new* work your group has accomplished and what *your* latest contributions were.

[STAT 265 only] None this week
